Compliance Certification
WGEO-LP Facility Id: 131456

In accordance with the Federal Communications Commission's rules and regulations as established in 47 CFR Section 73.2080, and as the sole operator of the station, I hereby certify:

- (1) WGEO-LP is a low power FM radio station owned and operated by the City of Georgetown. The City of Georgetown does not directly employ any person solely for the purpose of operating the station and therefore, pursuant to the regulation, is not obligated to place a program report in the station's Public File.
- (2) The City of Georgetown is an Equal Opportunity Employer who aggressively seeks cultural and racial diversity in its employee recruiting program and does not use race, sex, age, religion, national origin or cultural heritage as a basis for making employment decisions.
